**Please may we encourage you to walk, cycle, use public transport or car share where possible!**

### **Getting to La Cidrerie Barn Restaurant**

**If you are bringing your car, please park at Les Laveurs car park (the public car park across the road from Jersey Pearl).**

*This car park has a 12 in 24 hour parking limit so we would advise you not to leave your car overnight.*

If you are parking at Les Laveurs, pre-book our shuttle to bring you to the Barn

(Email Sarah -[hello@larobelinecider.com](mailto:hello@larobelinecider.com) and she'll let you know what time to be there)

The shuttle runs between 1800 and 1915 at our expense

*If you are getting a taxi or lift to the Barn, please get dropped at the top of our lane and walk down*

If you arrange your taxi with Domino Cabs, they will bring you down the lane

*If you are walking or cycling, directions are below*

### **The end of the evening**

If you require a taxi to take you to the car park before 2145 hrs, we can arrange that for you but it will be at your expense

*If you book your taxi home with Domino, they will pick you up from the Barn*

If you organise a lift or book with any other taxi firm, please arrange for them to meet you at Les Laveurs, not here!

(The taxi to Les Laveurs before 2145 is at your expense, after 2145, it's at ours!)

**PLEASE DO NOT PARK IN THE VICINITY OF THE RESTAURANT, ON MONT DES CORVEES OR LA ROUTE DE TRODEZ!**

### **If you are walking or cycling, these are the directions to La Cidrerie.**

Turn into La Rue des Bonne Femmes from Le Mont des Corvees.

La Rue des Bonne Femmes bends round to the left, then round to the right.

La Robeline Farm is located on the right hand side of this right hand bend and has  
black gates leading into their courtyard - **that is not us!!!**

DO NOT follow the road round to the right towards La Rue de La Robeline. Instead, the lane which leads to our house is on the left, on this bend - it used to be called La Verte Rue and is a tarmacked narrow lane. There is a blue sign saying "Caution Road Narrows" and two wheelie bins on the left hand side. We are at the bottom.

**If you are walking or cycling, please respect our neighbours and leave La Cidrerie quietly. Thank you for your cooperation.**
